Do we withhold his income tax in the state of California or in Colorado? Do we need to have an employer tax ID for Colorado or just in California? The quick and easy answer is that by having a resident Colorado employee, your organization is doing business in Colorado, and thus your employee will have to report her income on a Colorado Resident Income Tax Return.

A carbon tax is a tax levied on the carbon emissions required to produce goods and services. Carbon taxes are intended to make visible the "hidden" social costs of carbon emissions, which are otherwise felt only in indirect ways like more severe weather events. In this way, they are designed to reduce carbon dioxide (CO₂) emissions by increasing prices.
